7" Video Security Intercom with Mobile App Capability

✓ 2 Door Stations

✓ 2 Inside Stations

✓ 8 Mobile Apps

Get the Best of Both Worlds

See. Talk. Unlock. Whether You're Busy or Not.

Identify visitors and grant access with the reliability of an interior station...

Whether it's a delivery person, a contractor, or someone unexpected, you can easily see and speak with your visitors.

Depend on Aiphone at Your Workplace

- Instant call-in from a visitor allows you to determine intent *before* unlocking the door*
- Large 7" touchscreen provides a crisp, clear view of the caller
- Hardwired station ensures calls will not be missed, even when internet is down or slow
- Built-in memory stores up to ten recordings for later reference
- Adding a microSD™ card expands memory without recurring fees
- Provides power to video door station – *no batteries needed*

*Third-party lock hardware is required to unlock the door from the master station or mobile app.

Perfect for Small Offices

Avoid missing any visitors when your receptionist goes on lunch break. With this mobile app solution, other colleagues can screen visitors directly from their smartphone or tablet.

By-Appointment Businesses

Busy with an appointment? You can quickly let visitors in without leaving your guests unattended. Great for attorney offices, tax services, salons, physical therapy clinics, or any by-appointment business.

Unlock the Door for Employees

Even if you're not in the office yet, you can easily unlock the door for your employees with varying shifts.

or with the convenience of a mobile app.

The JO Series Mobile App provides the ability to remotely unlock the door for your cleaning service, appointments, or colleagues who forgot their key.

Answer Your Visitor Offsite

- See and speak with visitors from virtually anywhere
- Prevent accidental unlocking with in-app slider
- Monitor your main door anytime, from any location
- Zoom in and out for greater detail
- Get convenience and safety – *even on the go!*
- Download from Google Play™ or App StoreSM

Combine this intercom system with our AC Series access control solution for more security benefits!
